

Howard Maddera Scholarship Fund

Help SPCAA by donating \$1.00 towards the Scholarship Fund

SPCAA & South Plains College set up the Howard Maddera Scholarship Fund a few years ago to help a student(s) with their academic expenses. **Any Employee, Board Member and Policy Council Member and their families are eligible to apply for the scholarship.** SPCAA has no part in the selection. South Plains College has a committee that determines the recipient of the scholarship award. **Applications are taken starting January 1st of each year and deadline for submission is March 1st.**

Now, SPCAA is ready to take the next step. We are asking each employee to think about donating \$1.00 each pay period through a payroll deduction. If everyone donates one dollar, this will be enough to generate one new scholarship award a year for another student. Remember, the support we provide today will grow and nourish a student becoming a leader and role model citizen in our community. This Scholarship donation is important to our organization, our community and most importantly a College Student in need of monetary support to help with their educational achievements.

If you are interested in donating \$1.00 or more, towards the scholarship, please complete the form below and return to the Payroll Coordinator.

Cut along this dotted line.
